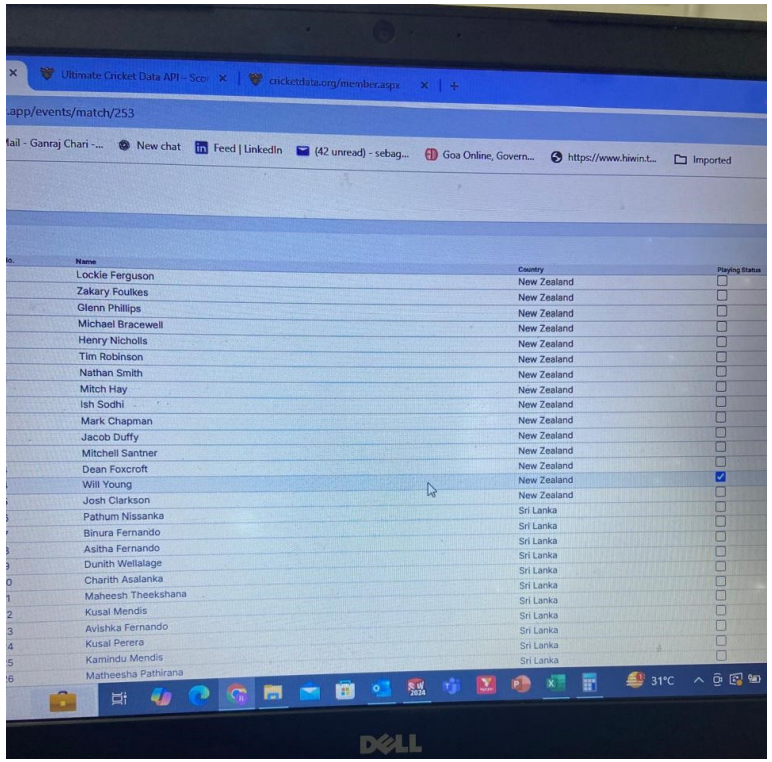
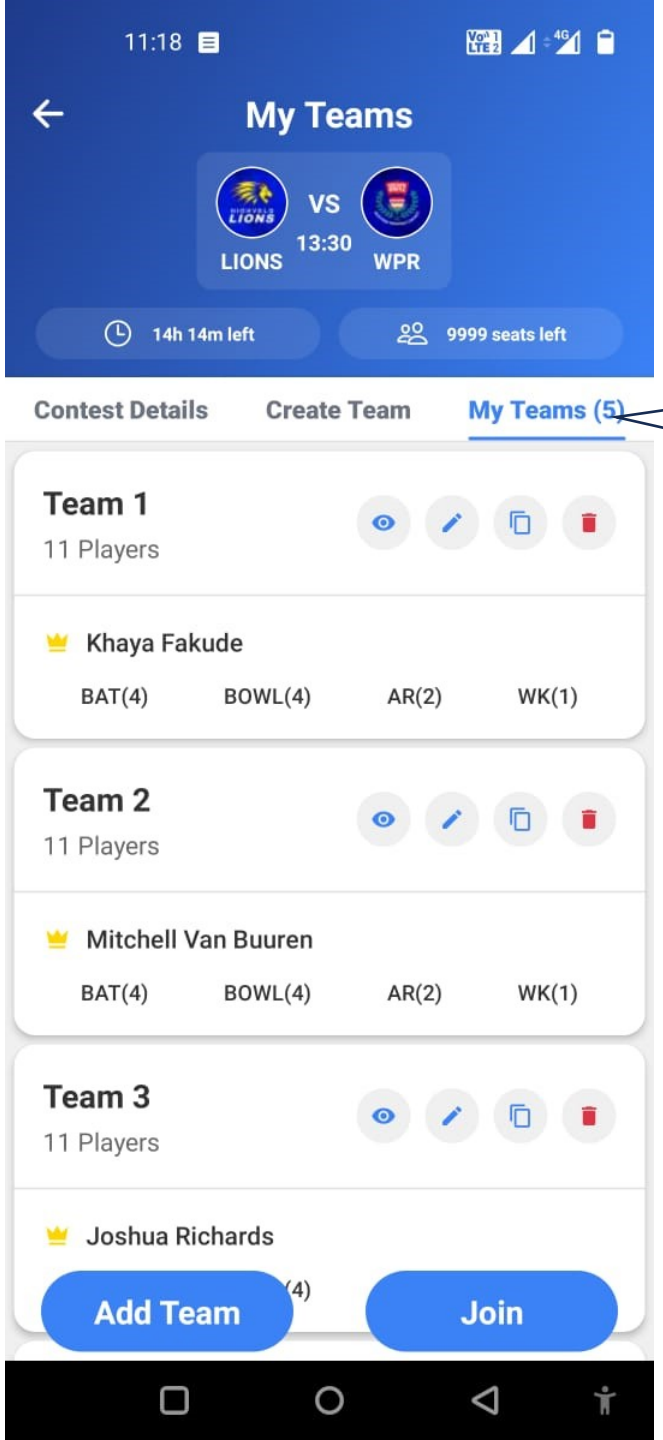
*For both teams squad shows same players.
*With same team two events created , then one event squad changes as per lineout but not for second event.

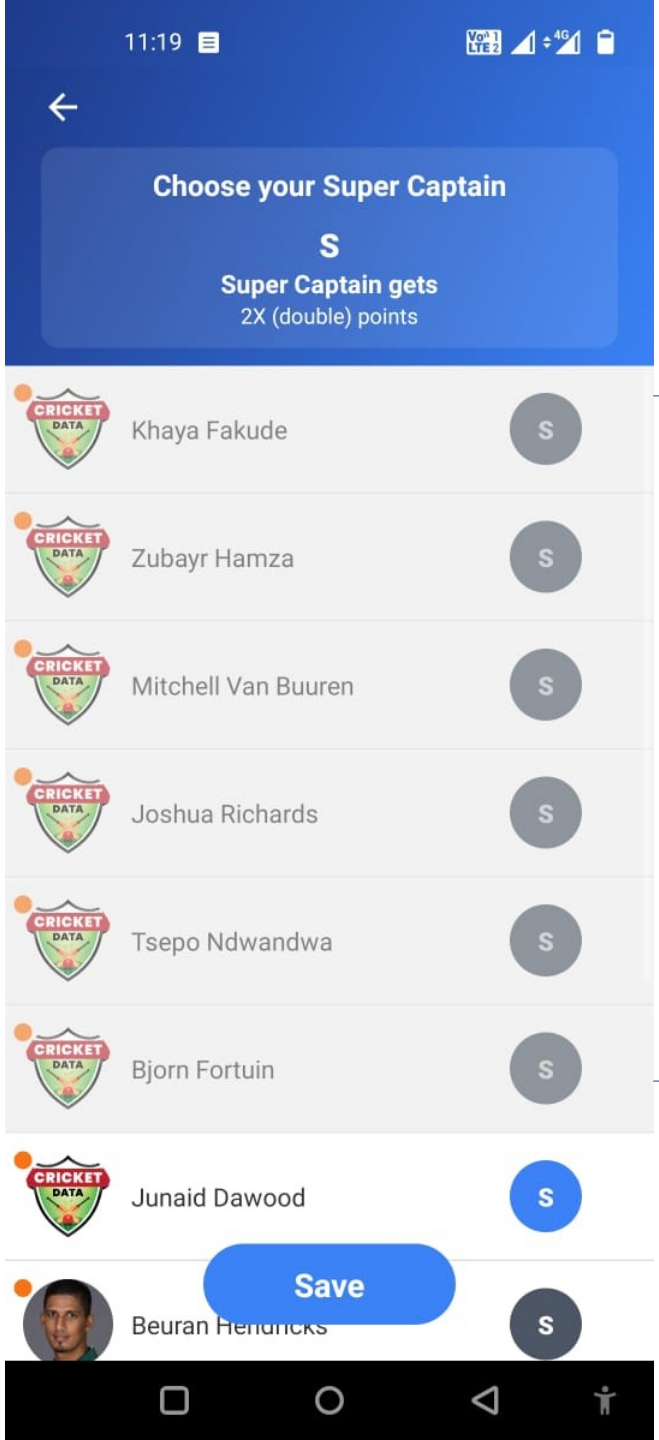
Video 2 : sent on 17/12/2024
For two match event, player squad shows same, squad not announced by Api then it should show blank or message



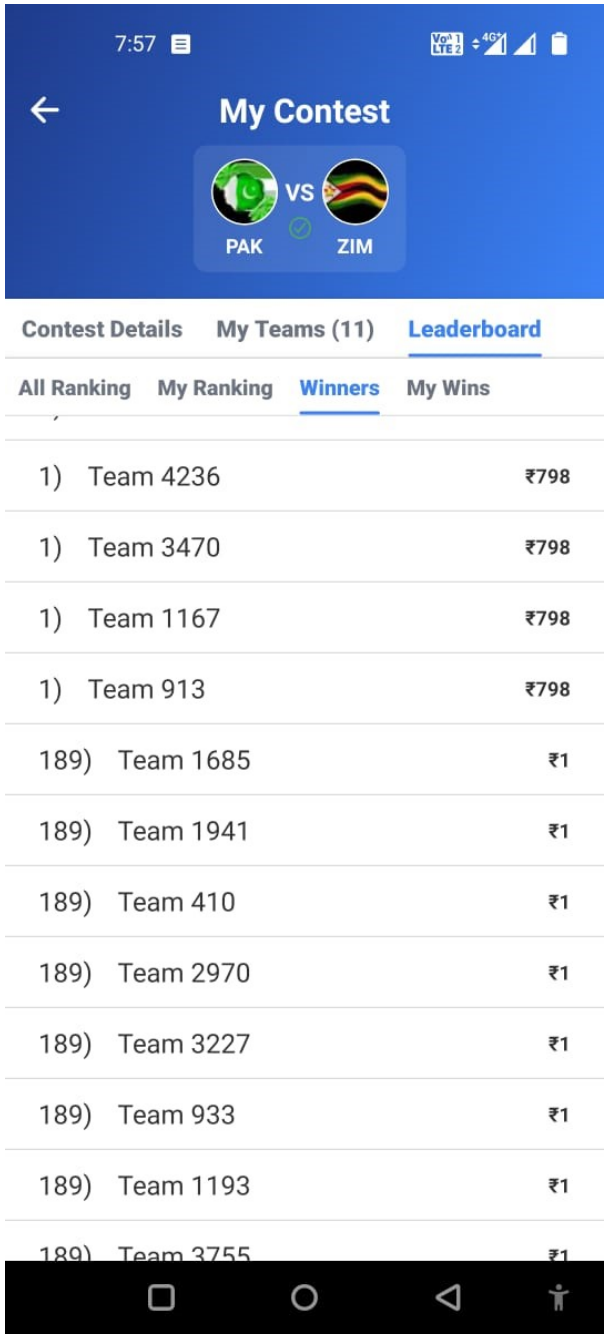
Eg : Bhutan v Qatar, it fetches SL New Zealand squad



5 teams created



Shows 6 captain selected



Prize split issue

For this event 2 to 2000 rank Rs.50 each was set

- **Ensure Leaderboard is “Dynamic” and not static.**

Teams positions should move as teams gains point during event is in progress
